

Tracy Morton, MSN, RN, CCRN
Biographical Sketch

Tracy Morton received her Master's Degree in Nursing from Holy Family University, Bachelor's Degree in Nursing from Allegheny University of the Health Sciences and Diploma in Nursing from Frankford Health School of Nursing. Her experience ranges from Eugenia Hospital, St. Joseph's Hospital focusing nursing in psychiatric theory and practice assessing the physical, psychosocial and social dimensions of the patient. Her work at Allegheny Valley School focused on direct bedside patient care to the care of developmentally disabled clients with complex medical-surgical needs. At Vencor Hospital, Ms. Morton provided care to acute and sub-acute catastrophically ill patients and was involved in the decision making process to wean dependent patients with complex multiple system involvement from ventilators. Ms. Morton worked at Aria Health in the heart care unit as well as the intensive care unit.

With teaching experience from Holy Family University, along with years of nursing experience, Aria Health School of Nursing gained Ms. Morton as a faculty member in 2011 for Advanced Medical-Surgical Nursing II in which she teaches didactically as well as in a clinical setting. She assists with clinical in Fundamental I and II, Medical-Surgical Nursing I and Capstone. She is a member of the Curriculum Committee and Faculty Development Committee for AHSN. Ms. Morton is a professional member of the American Association of Critical Care Nurses (AACN) and the Southeastern Pennsylvania Chapter of the American Association of Critical Care Nurses (SEPA).
