Providers treating hospital patients covered per the Financial Assistance Policy (FAP)

April, 2018

Physician providers ARE NOT included in the Aria-Jefferson Health Financial Assistance Policy (FAP). However, for emergency and other medically necessary healthcare services provided by Torresdale Hospital or Frankford Hospital or Bucks Hospital, the providers below will honor the policy as it relates to the hospital based professional services only, and only for the rate approved through the hospital application process.

All other Providers and practices NOT listed below do not participate in the FAP. Patients are required to make separate financial arrangements with those physicians and practices.
