

Aria Jefferson Health Financial Assistance Policy

Federal Poverty GuidelinesAria – Jefferson Health Financial Assistance Policy

Aria - Jefferson Health maintains a financial assistance policy designed to help people with lower incomes who find it difficult to pay for their hospital care. The discount amount is determined according to The Federal Poverty Level (FPL) Guidelines. If the household family income is less than 300% of the FPL, then 100% financial assistance will be applied. If the household family income is 300% or greater, but less than 600% of the FPL, then a discount rate will apply.
